

Member Section Preference

Every member of The National Association of Pastoral Musicians is encouraged to join the Interest Section(s) that correspond to their interests or core areas of ministry. We ask you please to complete this form then fold, secure, and mail it to the address on the other side of this page, or fax it to the number below. As many members serve in more than one capacity, please check (☑) as many sections as apply. The information you provide here will help us maintain contact with you -- the lifeblood of the association -- and enable us to better plan future events. If you have questions or need additional information, please contact the Membership Services Department at the national office.

The Director of Music Ministries Division – DMMD – offers an even more concentrated focus for the professional director. Please send me more information about DMMD:
